

Tales from Outer Suburbia

Worksheet: Moonfish scene analysis

Partner activity

Watch the scene and work with a partner to complete the worksheet. Freeze frame interesting shots to help you focus on specific details and effects.

Mood and feeling

1. What stood out to you in this scene?

2. What feelings or emotions did the scene evoke for you?

Characters

3. How do the family characters react to the setting and what happens? What do their gestures, expressions, or movements tell you about how they feel?

4. What makes the Night Chef character seem mysterious or unusual?

Setting

5. What kind of place is the scene set in? Are there details that seem unusual or surprising?

Colour, Lighting, and Mood

6. What colours dominate the scene? Warm, cold, bright, muted? How does that affect your feelings?

7. How is the scene lit? Are there shadows, highlights, or unusual lighting effects? How does that affect the story or mood?

Shot choice

8. Pick one shot. What is the camera angle (high, low, eye-level) and distance (close, medium, wide)? How does it make you feel?

Sound

9. How do sound effects, music, or silence work with the visuals to create mood or tension?
