Emily shared with us how pearl divers at Bajinhurrba (Cossack) collected shells until the 1950's. This material was used to make many useful things.

Design one of the functional objects made from shells.

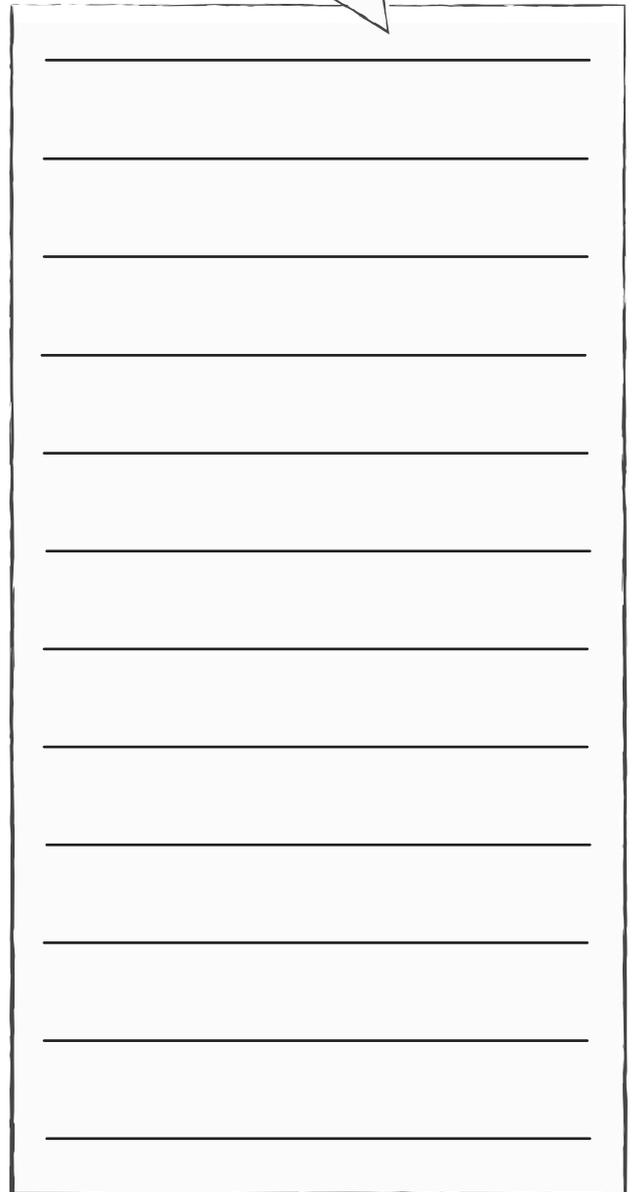

Respond

Imagine you are in a conversation with Nanna Allery. How would you respond to her idea that painting is a way to tell stories?

Whatever you paint is your story.
You tell your story.

Pop Harry shared about his experience growing up at Weymul (Cherrattah). He warned the riders to be careful of Malangu (little hairy man). Draw Malangu from your imagination, then add some details from the shearing shed as a setting.

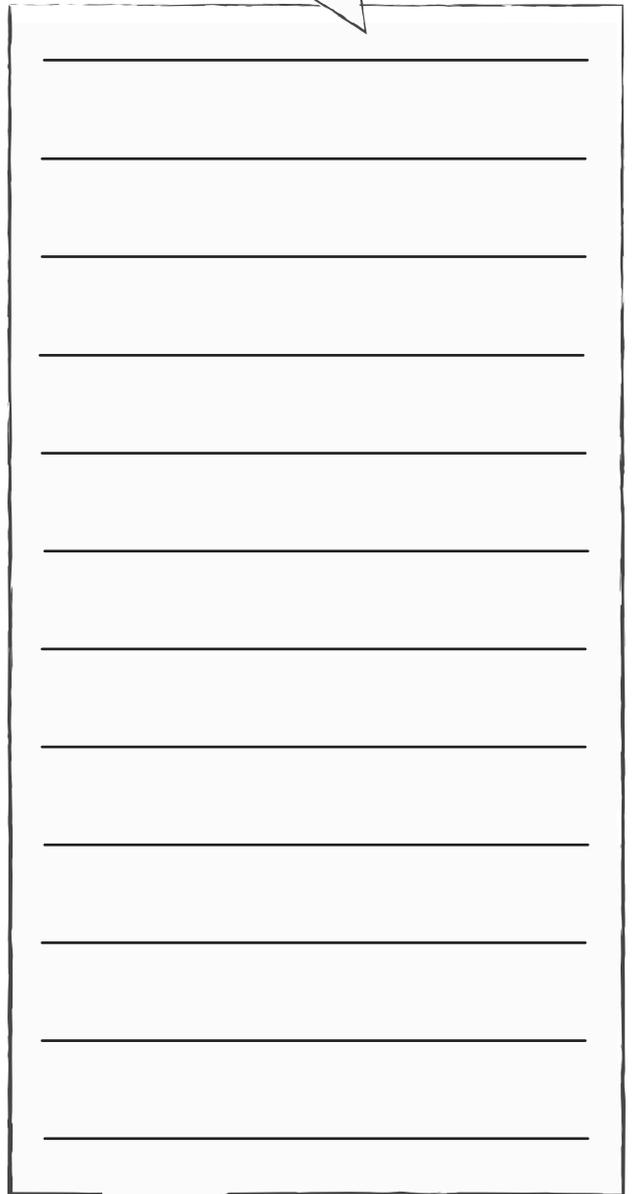

Respond

Imagine you are in a conversation with Uncle Tyson. Respond to the question he asked the red dirt riders about the shearers.

Do you reckon it would be easy to be a shearer?

Uncle Tyson

Nanna Allery shared her memories about the changes on her Country before and after the dam was built in 1984. Draw a scene from the river before the Harding Dam was constructed, then draw the dried up riverbed the red dirt riders visited in this episode.

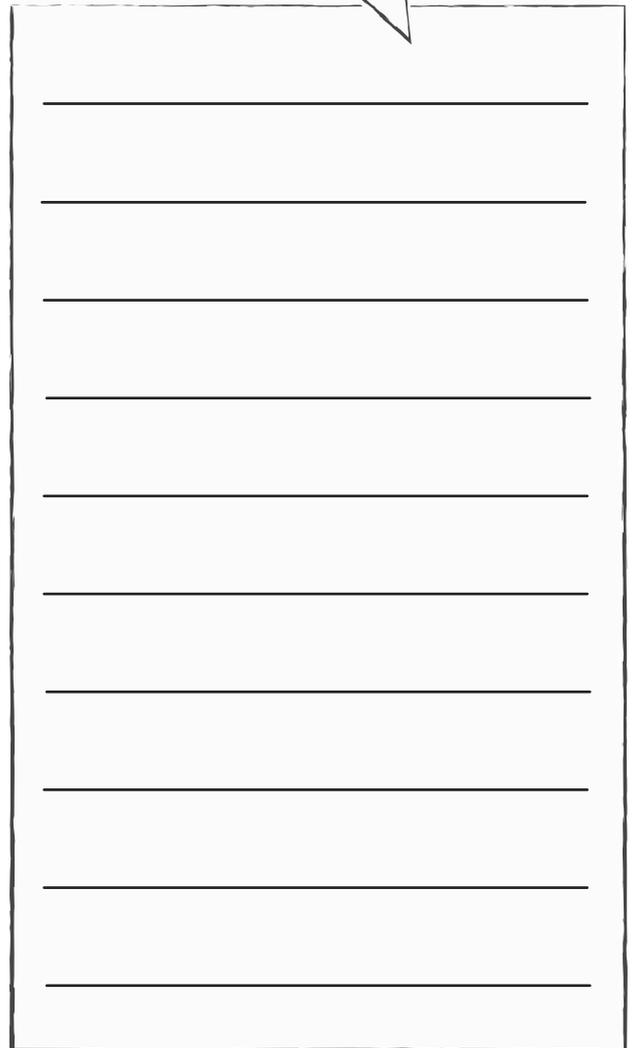

Respond

Imagine you are in a conversation with Nanna Lyn. Respond to how being on Country is an important part of her art making process.

I do painting and there's so much inspiration around... different colours and shapes. I take a lot of inspiration from the water.

Nanna Lyn
